

Franklin Floor and Table Lamp

KT1281, KT1291 | 1.0

GENERATION LIGHTING PORTABLE

General Product Information:

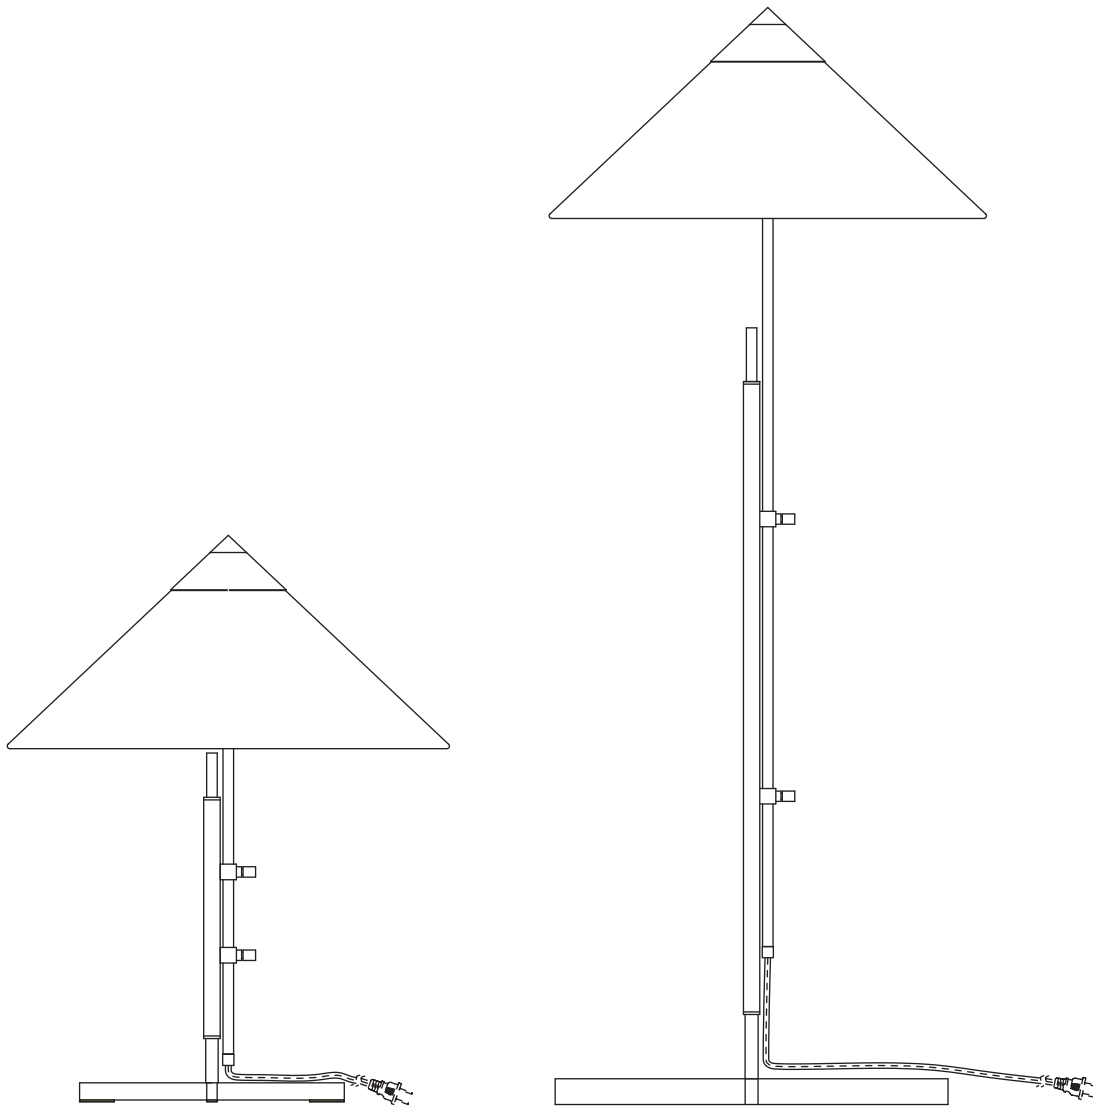

This product is safety listed for dry locations only.

This instruction shows a typical installation.

IMPORTANT SAFETY INSTRUCTIONS

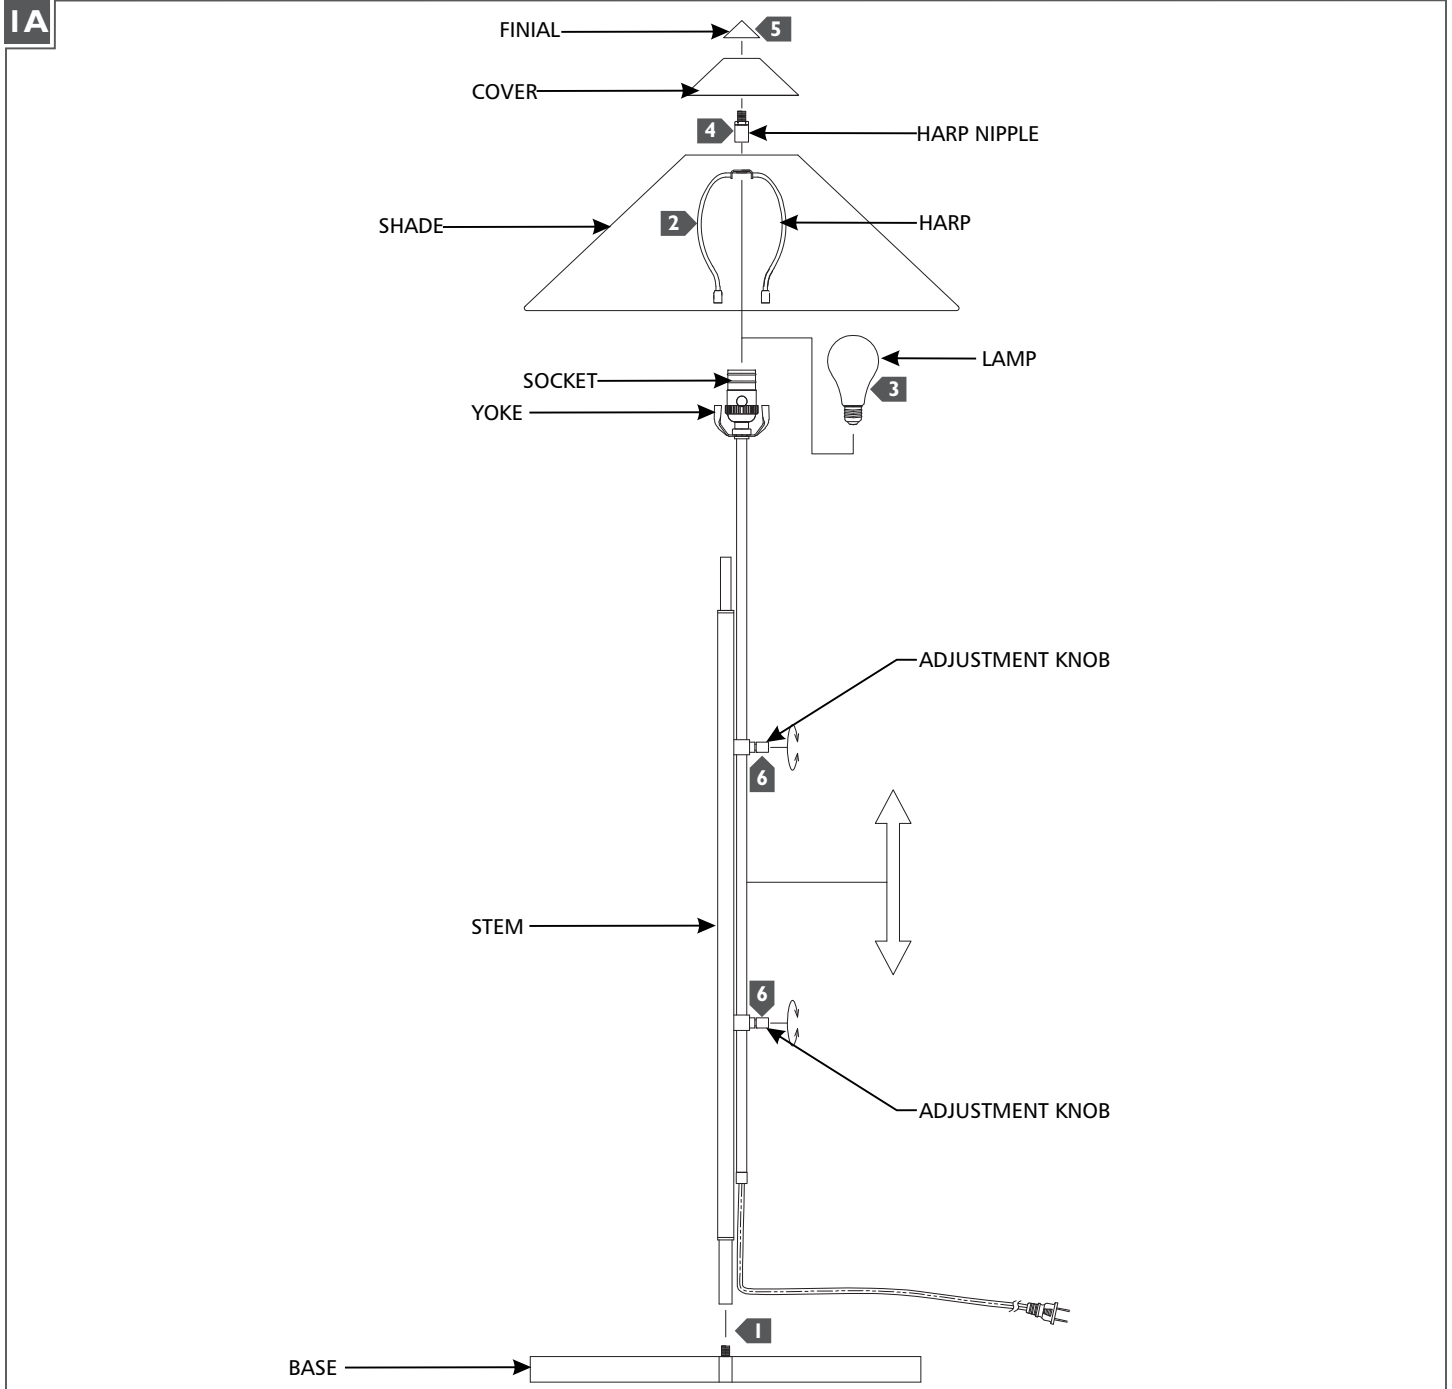

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.

Assemble the Lamp

- 1** Screw the base onto the stem.
- 2** Install the harp inside the yoke.
- 3** Screw the lamp into the socket. Refer to the label on the socket for Max Wattage Information.
- 4** Place the shade on the harp and secure it in place by screwing the harp nipple onto the harp.
- 5** Place the cover onto the harp nipple and secure it in place by screwing the finial onto the harp nipple.
- 6** Adjust the Height: Loosen the 2 height adjustment knobs, raise or lower to desired height, and re-tighten the adjustment knobs to secure in place.
