

Capri 2 Light Floor Lamp

TT1012 1.0

VISUAL COMFORT & Co.

STUDIO COLLECTION

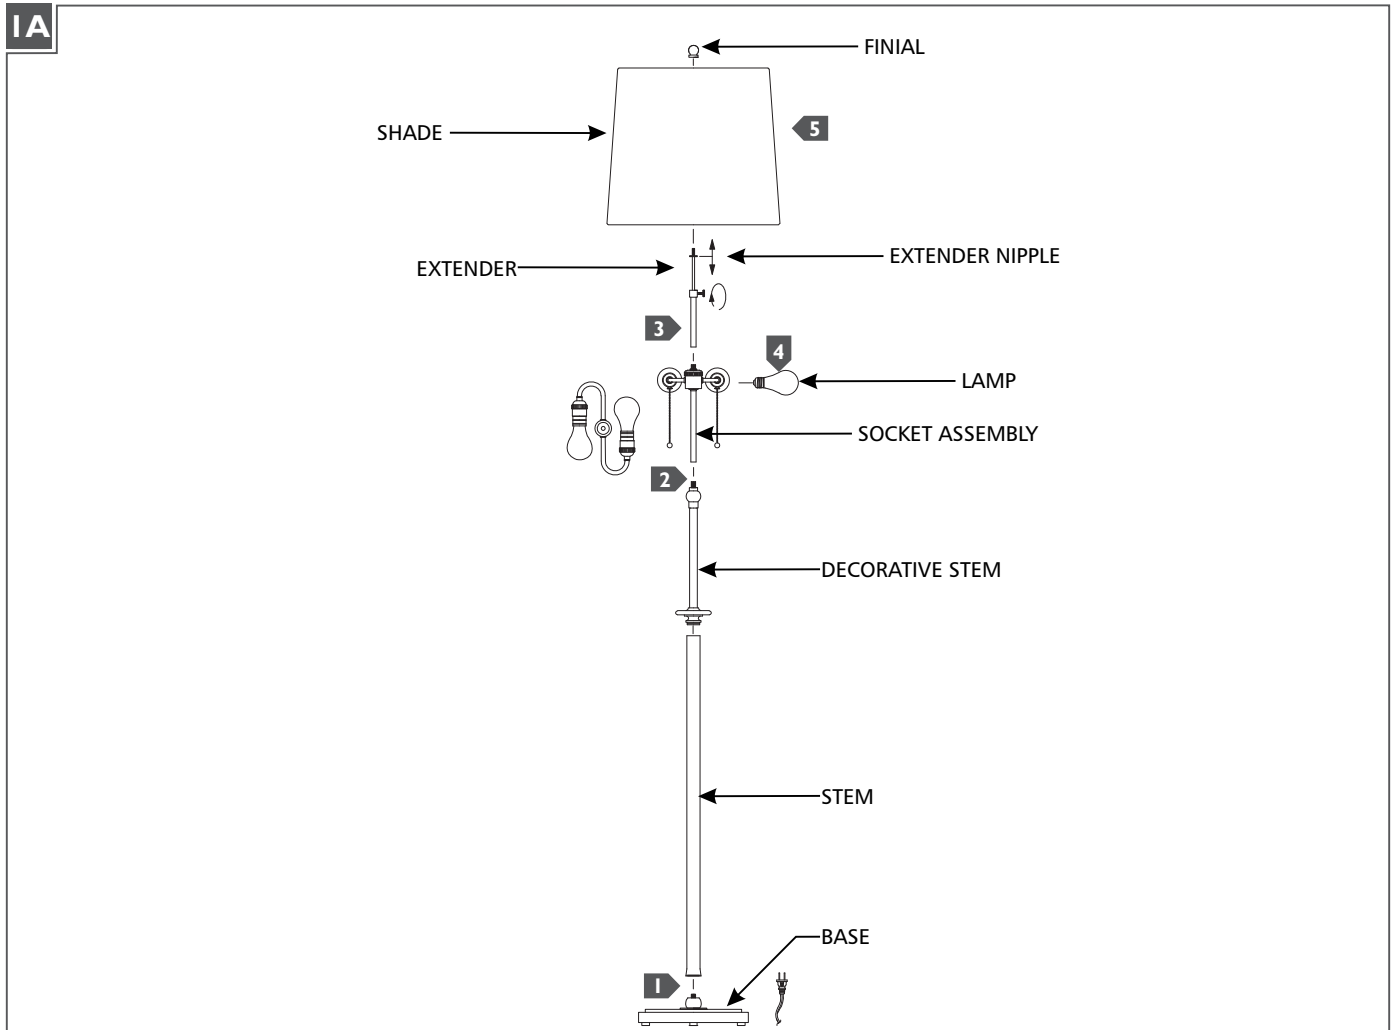

GENERAL PRODUCT INFORMATION:

This product is safety listed for dry locations only.

This instruction shows a typical installation.

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.

- 1** Screw the stem onto the base.
- 2** Screw the decorative stem into the stem, and then the socket assembly into the decorative stem.
- 3** Install the extender by screwing it onto the top of the socket assembly.
- 4** Screw the lamp into the socket. Refer to the label on the lamp socket for Max Wattage information.
- 5** Install the shade by placing the shade over the extender nipple and screwing the finial onto the nipple to secure it in place.
