Collection: Lawler

The Lawler pendant collection by Feiss captures the cozy charm of the classic bell and orb pendant silhouettes seen throughout history and versatile enough to complement a foyer, living room, dining room, bedroom, or kitchen. The candelabra lamping suspends from the center, and appears floating within the Clear glass shade. The grand scale (the Bell pendant is 19" high and the Orb pendant is 16" high), plus Chrome hardware and a delicate ring embellishment all serve to update the designs making them modern classics. Installed individually, in pairs or in clusters, the Lawler pendants add warmth and charm to any traditional setting.
