The Sea Gull Lighting Canfield three light vanity in Midnight Black provides abundant light for your bath vanity, while adding a layer of today's style to your interior design. Behind every seemingly simple design lies unerring attention to restraint and obsessive attention to the tiniest details. The Canfield collection by Sea Gull Lighting draws on the modernist traditions of "less is more". Essential functional elements dictate the aesthetics, and clean lines prevail to the soft glow of light diffused through finely etched glass diffusers. Canfield offers a "whole home" lighting solution; offering lighting in every imaginable category from the auspicious 9 light 2-tier chandelier, to the concise mini-pendant and one-light sconces. The collection is available in hand brushed Bronze for a warm, tactile, almost Craftsman design style, or Brushed Nickel and Chrome finishes to emphasize the more architectural elements of your interior.
