

GENERATION LIGHTING

6128801-112: One Light Mini-Pendant

Collection: Canfield

Round shape offers a functional modern style and white etched glass craftsman designed diffusers for adjustable lighting levels

The Sea Gull Lighting Canfield one light mini pendant in Midnight Black provides abundant light to your home, while adding style and interest. Behind every seemingly simple design lies unerring attention to restraint and obsessive attention to the tiniest details. The Canfield collection by Sea Gull Lighting draws on the modernist traditions of "less is more". Essential functional elements dictate the aesthetics, and clean lines prevail to the soft glow of light diffused through finely etched glass diffusers. Canfield offers a "whole home" lighting solution; offering lighting in every imaginable category from the auspicious 9 light 2-tier chandelier, to the concise mini-pendant and one-light sconces. The collection is available in hand brushed Bronze for a warm, tactile, almost Craftsman design style, or a Brushed Nickel to emphasize the more architectural elements of your interior.

Durable steel base is damp rated and offers a functional and transitional piece for covered outdoor areas and uses (1) 100-watt medium base light bulb sold separately

Easy installation and customizable option for mounting both vertically or horizontally, complementing a Dining Room, Entry Room/Hallway, or Kitchen
